CLIENT POLICY FORM

CANCELLATION POLICY

Appointments must be modified a minimum of 48 hours (excluding weekends) prior to your appointment start time.

We reserve the right to collect a security deposit, up to the value of an exam fee, in instances of multiple and/or short notice cancellations.

FINANCIAL POLICY

Payment is due in full at the time services are rendered. We do not offer billing or in-house payment plans/financing.

We strive to provide estimates for all services before performing them. Sometimes in a hospitalization or emergency event it is difficult to give an accurate estimate. Please tell us if you have specific cost concerns.

We accept cash, check, VISA, MasterCard, Discover Card, American Express, and CareCredit.

PRESCRIPTION POLICY

To best serve your pet's changing needs, we require regular recheck examinations for prescription approvals (our legal requirements are noted below). Rechecks are recommended per the severity of your pet's cardiac disease and are generally less expensive than the initial visit. We cannot accept returned prescriptions for a refund once they have left our hospital, but we will gratefully accept them as a donation to use in cases where the owners cannot afford care.

"A Veterinary-Client-Patient Relationship (VCPR) must be in place for a veterinarian to be able to legally provide treatment, prescribe medications, or administer vaccines to an animal. The veterinarian must have examined the animal within the last year in order to establish the VCPR." - Oregon Veterinary Medical Association (OVMA).

PHOTO POLICY

Cardiology Northwest may publish photos of me and/or my pet for educational and promotional purposes including the business website, Facebook, Instagram, Twitter, and/or publications. **Check to decline**

CPR/DNR PREFERENCE

YES: I authorize CNW to perform CPR on my pet in the event of cardiac or respiratory arrest. I understand that this can incur additional costs of up to \$1000. I understand that despite the best effort of the doctors and staff at this facility even the most successful CPR may not allow my pet to regain normal mental and physical health.

NO: I do not authorize CNW to perform CPR in the event of cardiac or respiratory arrest.

UNDECIDED: I choose not to answer at this time, but I understand that I will be required to decide if my pet is having a medical emergency. *[Giving this answer may result in additional costs as CPR will be performed immediately in the event of cardiac or respiratory arrest.]*

I have read and understand the above policies and agree to the terms and conditions stated therein.
